We, The Senior Class, Dedicate The 1968 Milestone To

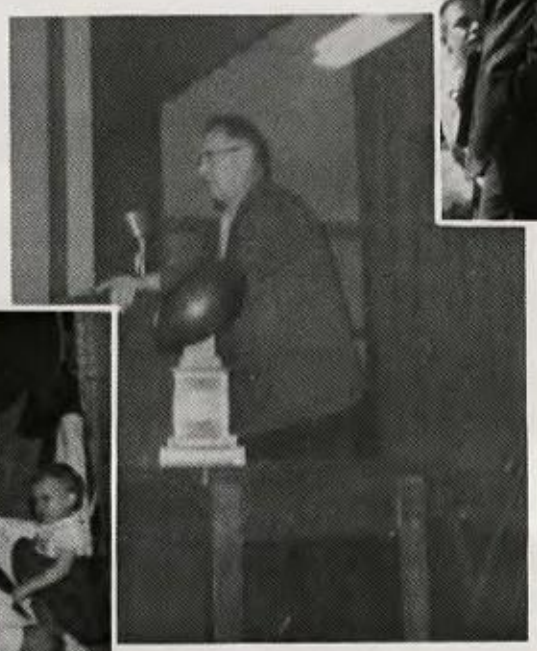
George S. Schollenberger

Teacher

Friend . . .

Coach

In 1946 "Coach" prepped one of the first groups of Bulldogs ever to meet with Seaford in the annual clash on Turkey Day . . . Attendance at pep rallies is a "must" for a coach and . . . when the occasion arises, to lead one and challenge each of us to do better than our best to accomplish something worthwhile, while at Laurel High . . .



As an active and avid member of the faculty, "Coach" looks over the action at the F.A.T.S. game. A sound body and mind must both be developed for a healthful balance . . . A glimpse of a broad shoulder in a familiar checked sports coat lets us know that the athletic director is keeping his eye on things . . . Whenever, in Laurel, there are people involved in school and sports activities there too will be "Coach".

TO THE SENIOR CLASS OF 1968:

It has been my privilege and pleasure to have known you for three years. I have learned much and I hope I contributed to your education. Even though you have a diploma, you must continue to learn just to keep abreast of the changes in our world. In your class motto, you state, "We are what we are now becoming." It is good that you recognize that your education must not end here.

You will enter a wide range of trades and professions. To succeed, it will be necessary to devote more hours in "becoming what you are to be." Whatever you do, always do the things asked of you to the best of your ability and then do ten percent more.

Please remember that whatever you do and wherever you go, you leave teachers, classmates, and the community that will follow your career. They will be happy in your successes and sad in your failures. For all of us, the ones you left behind, become the best of whatever you chose to become. Make us proud of the fact that we helped you in your "becoming."

Sincerely yours,

The scholastic-athletic curriculum plays an essential role in developing the mind and the body of young men and women. It gives youth an opportunity to understand the value of competition, and opportunity to feel the effects of victory and defeat, and a chance to establish pride in school, community, and self.

The true athlete devotes many hours of hard work to perfect the qualities of a winner and although he may never reach his goal, he will never quit. This is what marks the true champion.

Athletics exerts a tremendous sense of responsibility and leadership upon the student, which helps ease the burden of adolescence, in making the rapid jump from scholastic life into adult society.

VICTORY OVER SEAFORD

SEVEN YEARS OF FAMINE . . .

AND THEN . . .

Bulldogs Capture Lions Club Trophy

Football upsets have become as much a part of Thanksgiving as the traditional turkey dinner.

With this in mind, coach Fred Gainer's Bulldogs upset arch rival Seaford 13-12, to break a seven game winning streak held by the Jays over Laurel teams the past seven turkey days.

Seaford scored first, but the P.A.T. was unsuccessful. Laurel came storming back the next time they had possession of the pigskin, as sophomore standout, Gary Holloway, crashed in on a four yarder to cap a 64-yard march in nine plays. Holloway was later voted the outstanding player of the game by the Laurel-Seaford Jaycees.

The two teams battled scorelessly in the second period and the Bulldogs left the gridiron at halftime with a slim one-point edge, 7-6, thanks to the successful conversion of the P.A.T. following their first touchdown.

The Blue Jays gained the advantage on the first series of downs the beginning of the third period, but fatally failed to convert the extra point.

Bob Yori's key interception opened the door for Laurel's winning touchdown. The outstanding all around football gridder picked off an aerial and returned it to the Seaford 44 yard line late in the third Quarter. Yori also intercepted another pass to halt a Blue Jay offensive march.

The Bulldogs roared back from the five-point deficit with a third period six-pointer by Edsel Wootten on a three yard run, but failed to connect on the extra point attempt. Nonetheless, the dauntless courage of the Bulldogs paid off and the seven year seige ended with a determined look to the future as the final gun sounded and the scoreboard showed a final, 13-12 BULLDOGS!

Seaford now leads the Thanksgiving Day series with Laurel 11-9-2.

Laurel now has possession of the Lions Club trophy which was established in 1946 with the decision to award it to the winning team each year. Seaford has had it perpetually since 1960.

This unusual trophy is symbolic of the two communities The base is a du Pont polymer product representing the nylon industry of Seaford. Mounted upon this base is a football carved from a block of walnut from a tree which originally stood on a street in Laurel, representing the woodworking industry that once flourished in the community. The trophy can never be won permanently by either school and it has developed an historical and nostalgic meaning. It is interesting to note that the members of the 1967 football teams were not born at the time the trophy was placed in competition.

The care and awarding of the trophy is administered by a committee from each Lions Club following the rules established in 1946 by students and administrators from each of the schools as well as members of the two Lions Clubs.

On Tuesday morning, November 28, Ben Hurley, president of the Seaford Lions, presented the trophy to the Bulldogs before an assembly of the entire student body. Receiving the trophy on behalf of the school were Robert Yori and Ed Hanna, co-captains. They, in turn, presented it to a very happy Varsity coach, Mr. Gainer Special speaker for the occasion was Mr. Schollenberger, former head coach and now athletic director of the Bulldogs. "Coach" recalled the history of the trophy and our effort to obtain it throughout the many years since its establishment. He said, "It is always necessary to do better than your best. The things you do now, make this school a better place to live in. Do something worthwhile while you are here."

All Bulldogs can indeed be proud of the accomplishments of the 1967 Varsity Football Team, its coaches, and themselves, if they are a part of THE TEAM, "Coach" mentioned.

MANY PARTS

Sophomore Hopeful
Senior Success

Ed Felton developed into one of the finest basketball players in the state in 1968. His overall play was the strong point to Laurel's early bid for the State Championship. Felton demonstrated his versatility by finishing the season with a total of 281 points, averaging 17.6 per game, for the second high total and average in the Diamond State Conference. He finished first in the Conference in number of free throws attempted, 153, with a conversion percentage of 75%, and 115 completions. He averaged 19.4 rebounds per game, with three high games of 24 points, and a total of 349 for the season. He's really "all right".

Bonny, (I spelled it right)

Ya a real cute, crazy, close friend, neighbor, & the greatest girl I've ever known. Remember all the good times we've had together. Like all the Sunday's I've gone to your house. Remember the Sunday I fell in the dirt hole & my pants shrunk & I couldn't get them on, Boy that was something, & all the times we've driven your pickup & the day Joe turned blue, you know why! Remember all the times you, June & I got together & sometimes Kathy. Remember Sept. 15, 1968 we went riding with Kathy & Bobby & later on I drove Ricky's car. Remember all the dances (our walks to them) & all the football games with Sheen to together. Remember the night you were with Robert Gray & we went riding with Beep-Beep! & I was with Beep-Beep! I think you know who I mean. If you don't I'll tell you later. Remember the Sunday you & I & Dave & Janice went riding in the pickup & those boys got after us. Remember the night at the canteen you & I & Ricky went riding & Ricky & I had a fight. Remember the things we've talked about Ricky outstands all of them. Remember the boy you use to talk about you'd like to go out with but now into that's all over with you are hitched now. I think I have covered a few things. BUT!!!!!!!!!! cont'd on page 129

NEW YORK

March 17, 1968 was a big day for the Laurel High School Band and their director Mr. Bouknight. This was the day that they had been waiting for. When Mr. Bouknight was notified that Laurel band would be able to participate in the New York St. Patrick's Day Parade the band members started busily making and selling fudge to help finance their trip.

They earned a great deal of money in one week and on March 17th they boarded the bus for New York.

REFLECTIONS

Bonny,
To a real cute and nice junior who is always a lot of fun. Always remember the experiences we've had and those awful classes with Mulford last year. Look forward to the good times to come and let's really live it up these next two years. Good luck in all you do and with Ricky or whoever else is concerned.

I'm not finished yet. Well anyway remember our good old days & I hope we have many more. We have been friends (I think) a long time & I hope it always remains no matter what comes between us. Well, gotta close. So take care of that sweet boy of yours & don't let him go. (Ricky) I hope that big day comes, July 25, & I know you are looking forward to it too. (I can hardly wait) = till I see you on that day (& Ricky too). Well - ! Remember me, I'm sure you won't forget me, but you ~~can't~~ stay as cute as you are & you will go FAR! How far I don't know but for. Be good & ~~no~~ what comes between us I'll always be your friend & you will be my only true friend. Take care of Ricky & may God bless you in WHAT ever you MAY do. (Ha! Ha!) & I hope you succeed not in what your thinking of. See ya!

Luv ya!

a very good friend always & forever, Linda (ASS!)

Bonny,

How shall I begin? Three words could go to 3,000, when it comes to you and me!!. Right. There's so much to say, yet not enough room, but I'll squeeze it in here. We have been friends since I can remember, and we've got a lot of memories from way back! Never forget the little walks we use to take on Sunday afternoons, when we were younger! Remember that time I fell of the wagon, that your father was driving, and the pig + cow started chasing me. Wow, was I scared! Remember that old green pickup of ours, + all that bad luck it gave to us, like chugging out when we were across the dirt road. Don't forget the rides we use to take every now and then. They were the most exciting, huh? We've had our disagreements, but we always came through smiling! Right? Remember when I first liked Bobby, how you helped me then. I wouldn't have had the nerve to tell him, if you had not persuaded me to!! Thanks!!! Remember that Christmas, when we all went sledding, I'll never forget that. I almost froze, boy it was cold. That Christmas Eve night, at your house to - Wow (1966) Never forget all the talks we've had together. They mean a lot!! Don't forget yesterday (Sept 22, 1962) either, + the close rub we had (Remember??) Thanks for listening to my troubles this year, in the summer, we things weren't going well. You were a great help + I can't you understood. Everything going fine now! I hope forever. Take care of Ricky, because he loves you, and needs you. Never forget Bobby + Bill,

just think of - the future!! (Dubie's Ricky)

God Bless You + Ricky
